RI President Dong Kurn Lee

Let us Make Dreams Real

[Q] What image of Rotary should be projected today? Should the emphasis be on business networking potential or on humanitarian projects?

I do not think it is a choice between one and the other. Rotary has to be seen as a whole. Rotary was founded as a business networking tool, and service came after that. Service is now our primary focus, but that does not mean Rotary's role in business should be minimized. Rotarians should be in Rotary because they want to give, but we can and should also acknowledge the many benefits to Rotary membership.
